FESTURI - a multicultural celebration Inc. is seeking ideas, interest and participation in helping to make The Stockland Village component of the Caloundra Music Festival more engaging, community focused and culturally diverse.

The free Stockland Village celebrates diversity and our local culture through interactive workshops, roaming buskers and performances on stage. Free stages blend local talent and cultural performances. The Stockland Village is a non-alcoholic event and has a safe, communal and family atmosphere where everyone is welcome to experience different cultures and participate in the celebrations in a relaxing and fun environment.

Who Should Come?

Community groups, school students, teachers, school parents and friends, organizations, individuals, businesses, artists, musicians, performers.
